USPA NEWS - The International Human Rights Commission (IHRC) has described the Ultra-Modern Toilets and water supply built and donated by Her Eminence Princess Divine-Gift Onyinyeomachukwu to Ogada Primary School to safeguard the health of the pupils against diseases.

H.E. Ambassador Dr. Duru Hezekiah, IHRC Ambassador at Large and Head of Diplomatic Mission to Nigeria, asserted on Friday while responding to newsmen during the commissioning of the Projects at Ogada Community Primary School in Atta Ancient Kingdom, Imo State.

He stressed that learners are less likely to become infected by waterborne diseases, they are less likely to miss school, and more likely to feel healthy and hygienic by the availability of these sanitation amenities.

Dr. Duru emphasized that God's intention for His children is to live well in good health and prosperity, adding that providing a sustainable water source and sanitation facilities is God's fulfillment and a war-winning strategy against diseases and absenteeism from school in Ogada Community. He further congratulated Princess Divine-Gift Onyinyeomachukwu, the Golden Deputy Shepherd Mother-General of Living Christ Mission Inc, for fulfilling her promise to the African Indigenous Centre for Sustainable Development Goals of building an Ultra-Modern Toilets and Borehole Facility for Atta Community.
